CITY COUNCIL MEETING OF: AUGUST 6, 2008

Minutes:

MAYOR GOODMAN explained that he had received a fax requesting Item 33 be pulled forward.

JUANITA CLARK, on behalf of Charleston Neighborhood Preservation, referred to letters stating opposition and requested an open forum to discuss a theme for the building.

COUNCILWOMAN TARKANIAN said that she met with representatives of the museum and asked if someone from the museum would attend the planned workshop to explain why they are using the term "Mob Museum". They agreed to have someone present.

TOM McGOWAN, Las Vegas resident, empathized with the previous speaker, but noted that the mob element was indeed a part of the history of Las Vegas. He felt the best use for the post office would be as a museum.

MR. McGOWAN stated that CITY MANAGER DOUGLAS SELBY is an excellent administrator and should receive deferred increased compensation.

COUNCILMAN BARLOW said he too received a letter, and he stated that he feels the City lacks a museum to attract local residents and tourists to experience what this mob museum would offer. He believed this would be an exceptional venture.
